

# ORLEANS STREET GREEN SPACE VISIONING WORKSHOP

The Old Town Neighborhood Foundation (OTNF) and the Old Town Merchants and Residents Association (OTMRA) would like to invite you to a visioning workshop to help set broad goals for green space on Orleans Street. The green space that is being considered is the land adjacent to the CTA tracks on the east side of Orleans Street.

Attend the meeting with your neighbors and help us determine what community needs for green space exist that can be served by this space. This meeting will involve a number of interactive, small planning exercises.
